By signing below, I understand that I am relinquishing my rights as a CLP member, unless I own additional property, with electric service, within the CLP service territory. I further acknowledge the following:

CLP has the sole discretion whether to physically remove its electric facilities or to simply disconnect an individual electric service from its electric facilities.

Once the service is removed or disconnected, I understand that I will pay 100% of the estimated cost of a new service, exclusive of the transformer and meter. Should I request that the electric service be rebuilt, I understand I will need to fill out a new service application, easement, and Conditions of Application for Electric Service and pay all applicable fees associated with a new service installation.
