MEMORANDUM

DATE: October 30, 2026

TO: Affected CLP Members

FROM: Cooperative Light & Power

SUBJECT: Planned Power Outage – November 5, 2026

Cooperative Light & Power (CLP) is notifying members of a planned power outage on Thursday, November 5, 2026, beginning at approximately 9:00 a.m. The outage is expected to last two hours and will affect an estimated 160 members.

The area affected by the planned outage extends from Press Camp Road to Highway 3 and along Highway 61 from Superior Shores to Betty's Pies.

During this time, our crews will replace aging underground electrical infrastructure and convert an existing overhead feeder line to underground service. This work is part of our ongoing efforts to maintain and improve the reliability of our electrical system.

We understand that any interruption in service can be inconvenient, and we appreciate your patience while our crews complete these important improvements.

An initial notification call was made on Friday, October 30, 2026, with a reminder call scheduled for Wednesday, November 4, 2026. Please note that the outage start time and duration may vary depending on field conditions.

If you have questions, please contact our office at 218-834-2226.

Thank you for your understanding and continued support.
