

Application for Off-Peak Electric Vehicle (EV) Charging

CLP USE ONLY
Acct No: _____
Loc No.: _____

Updated: August 2022

CLP is an equal opportunity provider and employer.

If a load management control package is needed, the cost is approximately \$475. The contactor is the property of the consumer and comes with a one-year, limited warranty.

Amperage size of EV Charger #1: _____

Amperage size of EV Charger #2: _____

Is this service: new existing/revamped

If this is a revamped service, CLP will charge time and materials rates (a minimum of \$500) to reconstruct the service. If the additional load of the charger requires a transformer size upgrade, the member is responsible for the cost of the upgrade.

Please list the name and contact phone number of the installing contractor:

Electrical Contractor: _____ Phone: _____
