

NOTICE:

Cooperative Light & Power (CLP) will be doing integrated vegetation management (IVM) starting this month and continuing into mid to late October. IVM will be done along our right of way (ROW) in the following townships: Alden, Ault, Beaver Bay, Gnesen, Normanna, Silver Creek, Town of Crystal Bay, Town of North Star, and the Township of Duluth. If the vegetation management is happening directly on your property, you will be contacted by phone prior to work being done.
