

Seasonal Apprentice Lineworker

Cooperative Light & Power (CLP) is seeking a Seasonal Apprentice Lineworker to join our team and help power the communities we serve. In this role, you will assist with building, maintaining, and repairing overhead and underground electrical distribution lines across our service territory.

Candidates must possess the following qualifications:

- High school diploma or equivalent
- Line Technician Certification
- Valid, unrestricted Minnesota Class A CDL with current medical card
- Ability to work independently and as part of a crew
- Ability to follow instructions and safely operate equipment
- Strong communication and teamwork skills
- Commitment to safety and attention to detail

Seasonal position | \$37.97 per hour

To apply, please submit an application and résumé to:

Cooperative Light & Power
Attn: Human Resources
PO Box 69
Two Harbors, MN 55616

Or email: molmscheid@clpower.com

A confirmation email will be provided to applicants submitting materials electronically. CLP is not responsible for undelivered mail or email.

Applications Will Be Accepted Through: April 20, 2026

Cooperative Light & Power is an equal opportunity provider and employer.
