Right-of-Way Clearing Notice

Cooperative Light and Power (CLP) has contracted with Central Applicators to perform mechanical brushing on the CLP right-of-way starting on or about Monday, March 20, 2023. They will work from Highway 6 to Highway 1 along Highway 61, clearing the main line and taps off the main line.

You will receive a call from CLP if the work being done is on your property. If you have any questions or concerns, please contact us at 218.834.2226.
