

Cooperative Light and Power (CLP) has scheduled an outage for Tuesday, September 19, starting at or around 8:30 a.m., to upgrade the Waldo substation transformer due to increased energy demands.

The power must be shut off during this time for the crew's safety as they make the upgrade. The estimated outage time is eight hours. This is a big project which has taken months to coordinate. We understand this is a lengthy outage and we thank you for your understanding and patience. This outage will affect members in the following areas: Airport Road, Rossini Trail, Laine Road, Moose Lake Road, Maki Road, Highway 44, Pequaywan Lake, White Lake, Stone Lake, Barrs Lake, Briar Lake, Spring Lake, Alden Lake, and Thompson Lake.

Members affected by the outage will receive a phone call notifying them. If you have any questions regarding the outage, please call our office at 218.834.2226 or 800.580.5881.
