IMPORTANT MEMBER INFORMATION
Cooperative Light & Power (CLP) receives and distributes power from its supplier, Great River Energy (GRE). Great River Energy is a not-for-profit wholesale electric power cooperative serving 27 member-owner distribution cooperatives. Together, our systems provide reliable, cleaner electricity while maintaining affordable rates for 1.7 million people.
According to GRE, "We've always taken great pride in the way we do business: with respect for our environment. To continue doing our part, we remain committed to conserving resources through environmental stewardship, pollution prevention, waste minimization, recycling and reuse."
